SOME SAY LATIN IS DEAD.
WRONG.
IT’S UNDEAD.

Dying to know what a non sequitur is? Morbidly curious about m.o., re, etc?

Hoping to graduate magna cum laude, but not quite sure what that means?

Care to break down fancy English words into easier Latin originals?

Got an itch to read Caesar, Virgil, or the Vulgate Bible in the original?

Want to experience Roman culture and history like an insider?

Learn why Latin will never die.
