WHY THIS COURSE?

- You can complete a semester-long UCC course in just 4 weeks if you are self-disciplined and hardworking.

WHAT IS IT ABOUT?

- Did you ever wonder if men and women are as different as the media suggests?
Or why the media says women earn less than men?
Or why we say 'woman doctor' and 'male nurse'?
- Did you know that many aspects of your life are a result of the ideas that society has about men and women?
- Did you know that the gender system shapes the lives of boys/men and not just girls/women?
