Please join us for the SPRING 2020 session of the Saturday Young Artist Workshop for grades K-9. This spring the students will be exploring printmaking techniques and how artists use the concept of multiples for artistic impact and to share information.

Registration will be completed through the Office of Conferencing and Scheduling Services. (Information listed below) To best serve your artists, this session we will be capping each grade group (K-2, 3-5, & 6-9) at 15 students, so register early to ensure a spot.
