

B. S. Degree – Environmental Sustainability

Name:

DawgTag:

Transfer Hours:

Junior College Hours:

Catalog Year:

The requirements below represent those for the major in Geography and Environmental Resources. In addition to these requirements, students must fulfill the University Core Curriculum (UCC) requirements and the College of Liberal Arts (CoLA) requirements.

UNIVERSITY CORE CURRICULUM REQUIREMENTS:

University Core Curriculum requirements (41 hours) can be found at <http://corecurriculum.siu.edu/program-overview/index.html>.

UNIVERSITY CORE CURRICULUM REQUIREMENTS:

College of Liberal Arts requirements include:

- one year of a foreign language,
- one Writing Across the Curriculum (WAC) course (GEOG 304 fulfills this requirement) and
- one additional English composition course, such as ENG 290, ENG 291, or an additional WAC course ([list of CoLA WAC courses](#))

ADDITIONAL SIUC REQUIREMENTS:

In order to graduate from SIUC, students need to:

- Complete at least 120 credit hours with a maximum 2.0 GPA.
- At least 60 of the completed credit hours must have been earned from a senior-level institution.
- At least 90 credit hours (or all of the last 30 credit hours) must be completed at SIUC.

More information on these requirements can be found at http://policies.siu.edu/other_policies/chapter1/graduation.html
