Accompanying and Recital Scheduling Policy Handbook
2018-2019

Accompanying Coordinator: Dr. Kato
Office: Altgeld 206
Email: yukokato@siu.edu

General Accompanying Policy:
The goal of these policies is to provide music students with school-provided (free) accompanists for their degree recitals, upper divisional juries and semester juries while spreading the workload for the Staff Pianist and Piano Graduate Assistants as evenly and appropriately as possible throughout the academic year.

This Handbook outlines the following information:
I. Requesting a Pianist for Juries, Convocations, Concerto Competitions and Studio Recitals…..2
II. Requesting a Pianist for a Degree Recital……………………………………………………2
III. Student Recital Scheduling Process…………………………………………………………3
IV. Accompanying Hours for Recitals, Lessons, Convocation and Juries……………………4
V. Guidelines for a Professional Collaborative Relationship………………………………5
VI. Accompanying Timesheets for Pianists……………………………………………………6
VII. Recording Service Policies……………………………………………………………………6

Accompanying Priority List
The Accompanying assignments are made based on the following priority ranking:
   Graduate Degree Recitals
   Senior Degree Recitals
   Choral Ensembles
   Junior Performance Degree Recitals
   Upper Divisional Juries
   Opera/Musical Theater Productions
   Juries other than Upper Divisionals
   Faculty Recitals
   Non-degree student recitals

Graduate Accompanists are assigned with both the previous priority list in mind as well as the educational needs of those involved in the partnership.

Undergraduate Piano Majors: All BM degrees including those enrolled in MUS 341, (Collaborative Piano Ensemble) will be given assignments by the Accompanying Coordinator and must meet with their partners regularly as directed. It expected that this is a regular on-going commitment and process.
I. Requesting a pianist: Juries, Convocations, Concerto competitions and Studio recitals

Due at least 5 week prior to the performance

If you would like an pianist to be assigned to you for any of the performing situations listed above, an Accompanying Request Form should be filled out and turned in to Dr. Kato’s mailbox at least 5 weeks prior to the performance – more if the difficulty of the piece requires additional prep time for the pianist. Forms are available at the Music Office and outside Altgeld 206. Please note that your music must be included with this form, and you must have a regular scheduled lesson time with your applied teacher. Incomplete Requests will be returned to the Teacher’s mailbox.

After submitting your Accompanying Request and along with your music, Dr. Kato will assign a pianist to work with you. The student, teacher, and assigned pianist will receive an email including the assignment and the total amount of time the student has with the pianist for lessons, rehearsals, and performances. This number varies due to the difficulty of the repertoire.

II. Requesting a pianist: for a degree recital

Due at least 6 weeks prior to the performance.

All Requests for a SOM pianist must go through the Accompanying Coordinator. Do not make arrangements with the Staff Accompanist or GA on your own. If you are hiring your own non-SOM pianist, you can make your own arrangements.

If you would like an accompanist to be assigned to your recital, an Accompanying Request Form should be filled out and turned in to Dr. Kato as part of the Recital Scheduling Process at least 6 weeks in advance. At the time of request, a recital date must have been selected, repertoire selected, paperwork filled out, and music submitted with the Accompanying Request Form. Incomplete Requests will be returned to the Teacher’s mailbox. Please see the Student Recital Scheduling Process section below for full details in this process.

After submitting your Accompanying Request and along with your music, Dr. Kato will assign a pianist to work with you. The student, teacher, and assigned pianist will receive an email including the assignment and the total amount of time the student has with the pianist for lessons, rehearsals, and performances. This number varies due to the difficulty of the repertoire.

Forms are available at the Music Office and outside Altgeld 206.
III. STUDENT RECITAL SCHEDULING PROCESS
1) Student recitals should not be scheduled during exam week in either semester.
2) Recitals should not be scheduled opposite large ensemble concerts or dress rehearsals.
3) All non-degree recitals that need a School Accompanist must occur prior to March 24, 2018.

4) There are THREE times each year when student recitals can be scheduled:
   a) Students wishing to perform their recital in the Fall semester will be able to sign-up beginning Monday September 10, 2018.
   b) Students wishing to perform their recital in the Spring semester prior to Spring Break (before March 10) can sign-up starting on Monday Nov. 26, 2018.
   c) Students wishing to perform their recital in the Spring semester after Spring Break can sign-up starting Monday January 28, 2019.

5) Check the School of Music Calendar
   --Students should find possible dates with their Applied Teacher (online master schedule)
   --Avoid large ensemble concerts and dress rehearsals.
   --If you are already working with an accompanist, check his/her availability for those dates.
   --Take your possible dates and go to the Music Office to reserve a tentative date and time

6) Fill out the blue recital form and have your Applied Teacher sign it. Return the completed form to the Music Office. Your date is not official until you return your form.

7) If you need an accompanist, after doing all of the above, complete an Accompanying Request Form (including the proposed recital date) and turn it in along with your music to Dr. Kato’s mailbox.

8) No changes in repertoire will be allowed once the Accompanying Request Form has been submitted and an accompanist assigned. Be sure to have all of your music in hand prior to filling out the accompanying request.

9) Students doing half-recitals (Music Ed., Junior Performance, etc.) must pair up with another student doing a half-recital to make a full recital.

10) Recital previews will be held 2 – 3 weeks prior to the recital date based on the policy within each Area of the School of Music (Brass, Percussion, Winds, Voice, Strings, and Piano).

10) Students who postpone or cancel their degree recitals must pay a Recital Cancellation Fee of $75 except in cases of special circumstances such as a death in the family, serious illness, etc. In such cases, a written appeal to the Accompanying Coordinator and the Director of the School of Music is required to have the fee waived.

11) If your recital date cannot be covered with a school accompanist, you can make your own arrangements for an outside accompanist who is not being paid by the School of Music and take any date that is available on the School of Music calendar.
IV. ACCOMPANYING HOURS
The total hours listed below is the maximum allowed for recitals, convocations, juries, and lessons. These hours can only be exceeded if the instructor, student, or pianist feels that the repertoire requires more rehearsal time and makes a request for additional time to the Accompanying Coordinator.

- 45 minutes/week for lessons
- 30 minutes/week for rehearsals

Students with 30-minute lessons:

- 20 minutes/week for rehearsals

If a singer cancels his/her scheduled rehearsal time and is unable to reschedule with the pianist during the same week, that rehearsal will not be made up.

**Vocal Juries:**

Singers will not receive additional rehearsal time with pianists before juries.

**Vocal Degree Recitals:**

Singers presenting a degree recital can request additional accompanying time if needed, for a dress rehearsal prior to the recital.

C. CONDUCTING HOURS (Graduate conducting majors only):

**Weekly Lessons/Rehearsals with a pianist (starting week 4 or 5)**

Students with 60-minute lessons:

GUIDELINES FOR A PROFESSIONAL COLLABORATIVE RELATIONSHIP

VOCALIST/INSTRUMENTALIST RESPONSIBILITIES

The accompanist should be able to expect the following from his/her partner:

1) Music (real parts (preferred) or copies) will be provided at least 1 week before the first rehearsal. All copies will be readable and should be placed double-sided in a three-hole binder.

2) There should be adequate notice of the accompanist’s need to be in a lesson – at least 3 days in advance.

3) The collaborative partner will arrange and schedule rehearsal times with the accompanist and will show up on time and prepared. Rehearsal time with a pianist is not practice time – it is rehearsal time. Both parties should prepare their part on their own outside of rehearsals.

4) The Pianist will be given at least 24-hours notice if a lesson or rehearsal needs to be cancelled. Less than 24 hours notice will result in the missed time not being made up; the pianist will receive credit for the time.

5) It is extremely unprofessional to not show up for a rehearsal or lesson without any notice. Should this happen more than twice, the pianist will be excused from the accompanying assignment and the partner will become responsible for making his own accompanying arrangements.

ACCOMPANIST RESPONSIBILITIES

The vocalist or instrumentalist should be able to expect the following from their pianist:

1) The pianist will have prepared the music prior to the first rehearsal.

2) The pianist will show up for lessons and rehearsals on time. Rehearsal and lesson time with a partner is not personal practice time – it is rehearsal time to make better music and art together.

3) The pianist will be equally involved in scheduling and arranging rehearsal times. BOTH parties should be proactive regarding the scheduling of rehearsals and lessons.

4) Any cancellation of a rehearsal and lesson by the pianist will be made with at least 24 hours notice. Less than 24 hours notice will result in the missed time being made up with the pianist at the earliest possible time.

5) The pianist will be dressed appropriately for your performance, matching the level of dress worn by the performer. This should be discussed prior to the performance.

6) The accompanist will make arrangements for a page-turner as needed.
VI. ACCOMPANYING TIME SHEETS FOR PIANISTS (available outside Altgeld 206)

Time sheets (available outside ALT 206) must be filled out by all student accompanists (including Graduate Assistants) and should be signed by the collaborative partner at each rehearsal and by the instructor at each lesson. This is to help keep track of all accompanying work for the semester. Pianists should keep a separate time sheet for each student they accompany. At the end of the semester, submit these timesheets to the Accompanying Coordinator.

Accompanying GAs must also fill out a GA timesheet and return it to the GA Timesheet mailbox in the faculty lounge.

VII. RECORDING SERVICE POLICIES

1. Undergraduate recitals are not recorded automatically. If you wish to contract with Recording Services the fee must be paid at the time your scheduling request is received. All fees go towards maintaining and purchasing equipment.

2. Scheduling requests made less than two weeks before recital date may not be recorded due to conflicts. Fees are reimbursed if recording or recital does not take place.

3. Graduate recitals are recorded automatically if part of the degree requirement.

4. University Ensembles and faculty recitals are recorded automatically.

5. Visiting artist recitals are recorded only with the permission of the performer.

6. Masters of all recordings are kept on file by the Recording Service.

7. Each performer will receive one copy of the recording free of charge. Larger ensemble performers need to pay for copies.

8. Copies of recordings are available by request to the School of Music Main Office. Some recordings of faculty and guest artists may not be available if the performers do not give permission to copy. All copies must adhere to Copyright Law.

9. Master recordings are made using a selection of high-quality microphones and recording equipment. It is up to the discretion of the Recording Engineer as to the setup of the recording.

10. Recording sessions for the making of contest and audition recordings are possible. Please contact the Recording Service as soon as possible to make arrangements, as the facilities are often difficult to schedule. A deposit may be required.
