It is STRONGLY suggested that all music students clear their schedules during ensemble rehearsal times (Marching Salukis: M 7-9:30pm, TR 4-5:30pm, Home games Sat am; SISO: T 7-10pm and R 8-9:30pm; SICO: R 7:15-8:30pm; and Wind Ensemble: MW 3-4:30pm, F 3-3:50pm) until notification of placement. Students are NOT guaranteed their first preference for an ensemble due to schedule conflicts. Prof. Benyas, Dr. Brozak, Dr. Morehouse, and the appropriate applied faculty will determine ensemble placement. School of Music scholarship recipients and undergraduate/graduate assistants may be asked to play in more than one ensemble per semester depending on ensemble needs.
